FAN Foundation

We Franciscan brothers and sisters, Religious and Secular, from throughout the United States gathered together in Baltimore, MD to discern the possibility of a unified Franciscan Voice for justice. With great concern for dehumanizing issues in our society, we recognized trends contrary to our calling as followers of Christ.

We have the power to effectively advocate for the redistribution of resources, the responsible care for creation, and the healing of relationships within the Franciscan Family, the Church and society.

To these ends, we commit ourselves and call all members of the Family to speak with one Franciscan Voice to effect the transformation of national social policy. Walking with our brothers and sisters who are poor and marginalized, we advocate for peace and reaffirm the dignity of all creation.
